FIRST ANNOUNCEMENT AND CALL FOR PAPERS

X International Symposium on Telecommunications - BIHTEL 2014 , organized by Faculty of Electrical Engineering Sarajevo, will be held in Sarajevo, Bosnia and Herzegovina, during October 27-29, 2014. Being the tenth in a series of biennial symposiums, BIHTEL 2014 – X International Symposium on Telecommunications will bring together researchers from academia and practitioners from industry active in the field of Telecommunications to discuss current development and future perspectives in Telecommunications technologies. The explosive growth in telecom sector, coupled with rapid innovations is throwing up not merely technological but a whole lot of management, regulatory and socio economic challenges. BIHTEL 2014 will provide a venue for Telecommunications engineering practitioners, researches and educators to exchange ideas on recent research work, point out the directions for future research and seek collaboration opportunities on all aspects of Telecommunications technologies.

**The instructions for authors will be posted on the conference website:
http://bihtel.etf.unsa.ba**

Submission & Acceptance of Papers

The working language of the conference is English. Submit the full paper limited to 6 full pages, including paper title, authors and affiliations, figures and references. Each accepted paper must be presented at the Symposium within 15 minutes period and the manuscript must be accompanied by a paid registration in order to be included in the Proceedings. To be published in the BIHTEL 2014 Conference Proceedings and IEEE Xplore®, an author of an accepted paper is required to register for the conference at the full or limited (member or non-member) rate and the paper must be presented at the conference. For authors with multiple accepted papers, one full or limited registration is valid for up to 3 papers. Accepted and presented papers will be published in the BIHTEL 2014 Conference Proceedings and included in the IEEE Xplore® online digital library.
